Subject: Emily Weaver's report/story of the 1990 Iraq hostage crisis published in this Tuesday's Hendersonville Times-News!

Dear Ms. Norman,

I would like to thank you very much for suggesting Emily Weaver to interview me regarding my story about having been a hostage in Kuwait and Iraq in 1990.

Emily very accurately wrote the story/report in the Hendersonville Times- News.

She is a great listener and prepared amazingly well for the interview!

I connected with her immediately and felt very comfortable talking to her about the very traumatic events in Kuwait & Iraq in August, 1990.

She is also a very compassionate person and she made me feel comfortable.

Many news stories were written about the hostage taking at that time and after, especially because my son, who was only 19 at the time, and two other college students were unexpectedly detained at the border in Iraq before crossing into Turkey. Emily, however, has been the only journalist I have spoken to, who wrote the story/report accurately.

She is a very good and compassionate listener and a great journalist!

Thank you so very much for allowing her to listen to my story and write my story for the Times-News.

Sincerely,

Margriet Charlton
